Big Picture

Where ideas and imagination come alive.

The big picture is an excellent team building activity that promotes collaboration, communication, and creativity. The activity involves creating a giant mural made up of separate canvasses, which are completed by small teams working together. Each team must work collaboratively to ensure their section aligns with the overall theme and design of the mural.

How it Works:

Participants engage in the creation of a grand mural comprised of individual canvases, each completed by small teams working in unison. With a shared goal of aligning their sections with the overall theme and design, teams collaborate closely, emphasizing effective communication and meticulous attention to detail. During the activity, teams must communicate effectively to ensure that their individual pieces fit together seamlessly. This requires a high degree of attention to detail and the ability to work effectively with others.

As each piece comes together, the mural is assembled to reveal a captivating masterpiece. The Big Picture activity captivates participants, fostering a stimulating environment that nurtures imaginative thinking and collective achievement.
