

## Unsolved Case Files

**Challenge your investigative abilities, solve captivating cold cases.**

Unsolved Case Files offers a thrilling and immersive experience for cold case detectives, allowing them to dive into unsolved mysteries from the past. With a collection of intriguing game titles, participants have the opportunity to put their detective skills to the test and solve captivating cases like "Who Murdered Harmony Ashcroft?" and "Doe, Jane". Armed with the original investigator's case file, they embark on a challenging journey to uncover the truth and crack the case.

### How it Works:

Unsolved Case Files provides cold case detectives with a comprehensive set of evidence to investigate. The game includes over 50 photos and documents, such as newspaper articles, crime scene photographs, autopsy reports, witness statements, and character photographs. Participants examine the evidence, analyze the information, and piece together the puzzle to identify the real murderer.

With three different mysteries to solve, Unsolved Case Files offers a cerebral challenge that keeps players engaged and on the edge of their seats. Online answer keys ensure that detectives can continue their investigation without being spoiled by the correct answers.
