

## GPS Treasure Hunt

### A high-tech adventure, navigate with GPS, and conquer challenges

GPS Treasure Hunt is an exhilarating team-building activity that combines technology and adventure. Participants download a GPS app and embark on a thrilling hunt, using clues to navigate to various locations and collect hidden treasures. This engaging game promotes teamwork, problem-solving, and communication skills while providing an exciting and memorable experience for all.

#### How it Works:

Teams receive a list of clues and utilize the GPS app on their mobile phones to navigate to different locations. At each location, they must search for hidden objects or complete challenges to collect treasures. The clues are designed to test participants' problem-solving abilities and encourage collaboration among team members. The team that successfully completes all the challenges and collects all the treasures in the shortest time emerges as the victor.

#### Activity Details:

Duration	Group Size	Physicality	Venue
1.5 – 2 hours	10 – 1000	High	Outdoor
