

Orphans Gathering

Join hands, inspire hope, and make a positive difference.

Orphans Gathering is a heart-warming team-building activity that promotes corporate social responsibility and provides an opportunity for teams to make a positive impact on the lives of orphans. Through interactive and engaging activities, participants create unforgettable memories while giving back to the community and fostering a sense of fulfilment and purpose.

How it Works:

Teams participate in the Orphans Gathering event by interacting and connecting with orphans in a fun and engaging environment. Activities such as storytelling, painting, and sports are organized to create a memorable experience for both the teams and the children. Additionally, a donation drive is organized to collect essential supplies and resources for the orphanage, allowing teams to contribute to the well-being of the children.
