

Activity information sheet

Walk a Dog

Team up, give back, and make positive memories while walking dogs and raising funds for a meaningful cause.

"Walk a Dog for Charity" is a team-building activity that combines corporate social responsibility with the joy of spending time with animals. Participants volunteer at a local animal shelter, walking dogs and raising funds to support the shelter's mission of caring for abandoned and neglected animals.

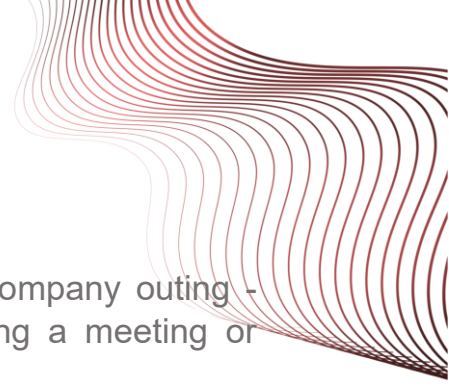

How it Works:

During the event, teams learn about the animal shelter's work and the importance of their efforts in the community. Participants have the opportunity to bond with dogs, taking them for walks and engaging in playtime. The event not only promotes team bonding and morale but also allows teams to actively contribute to a great cause by raising funds for the shelter's ongoing care and support of the animals.
