

## Paintball

**Navigate obstacles, strategize, and conquer the challenge as a unified force.**

With Paintball, your team will have a blast while building trust, improving communication, and developing a winning mindset. This exciting team-building activity can be played in different modes, including capture the flag and VIP protection.

### How it Works:

As the teams arrive, they will be divided into sub-teams and briefed on the objective of the game. Each team will be equipped with paintball guns, masks, and ammunition. The objective of the game is to locate and capture the opposing team's flag while defending their own.

The game will take place in a large outdoor area, where the teams will have to navigate through a maze of obstacles, including barriers and walls, while trying to avoid being hit by the opposing team's paintballs. The game will last for a set amount of time, during which the teams will score points for capturing the flag and eliminating opponents. To make the game even more challenging, one member of each team will be designated as the VIP. If the opposing team manages to capture the VIP, they will earn extra points. However, if the VIP is eliminated, the team will lose points. This adds an extra level of strategy and teamwork to the game, as teams will need to protect their VIP while still trying to capture the opposing team's flag.
